<p>Please make any comments you wish to make on the above points.</p> <p>All documentation provided was excellent and comments raised at the board were dealt with efficiently. My experience of being an external continues to be a positive one and I would again commend the course team for successfully meeting the challenges which inevitably come with multiple start dates and modes of delivery.</p>	
<p>5. Areas of good practice</p> <p>Please provide a description or bullet point list of any particular areas of good practice in relation to standards and assessment processes that would be worthy of dissemination to a wider audience.</p> <p>This has been a third extremely challenging year for the University and I believe that it responded to the continuing COVID19 challenges extremely well providing a high quality experience for all students. The challenge continues to be significant and the course team continues to work exceedingly hard and professionally. The conduct of the virtual exams board was exemplary and due consideration provided for all students. Stuart continues to consult with all externals closely and regularly kept us informed of progress.</p> <p>In line with previous years all the materials and assessments across all three subjects are of a very high standard and extremely rigorous. They continue to be reflective of professional practice and ensure that the students have ample opportunity to demonstrate the breadth and depth of their knowledge.</p>
